Sai RAM

**Centre for Advanced Diploma Studies and Research,
Vasna, Ahmedabad**

C

- » Did you plan for your future and career?
- » Are you ready to face interviews? Did you attend any interviews so far?
- » Are you sure about your communication and presentation skills?
- » Do you have the expected skills and knowledge?
- » Do you feel that what you learned in your classrooms is not adequate enough for better career avenues and you need more practical skills and knowledge to get into a good job?

The answers to all your concerns are **Add On Courses** offered by the **finishing schools** like ours. Sai RAM Centre for Advanced Diploma Studies and Research (CADSR) is a unique non-profit Institution established by Sai RAM Trust. The Institution aims to **shape the young graduates and post graduates** into talented professionals so as to **achieve their desired Career goals**.

A

All the programmes are conducted on a **part time basis in the evenings** of any three weekdays **(or) for about 3 hours on Sundays & Holidays**. Obviously, all the programmes will be suitable for any student or an employee, without disturbing their present studies or commitments. **Very limited students per class** (15 students only).

D

The fee for all the programmes is charged **on a non-profit basis**. We provide **Freeships to meritorious students who are economically disadvantaged**. All courses are prepared and conducted by Expert Faculty with vast experience in various Organisations/Industries.

“IF YOU ARE SERIOUS ABOUT YOUR CAREER PROSPECTS, START GROOMING YOUR SKILLS RIGHT NOW”.

With us, You can see yourself getting transformed.
